

Arizona Department of Transportation Summary of Legislation 2020

54th Legislature Second Regular Session

Dear Director Halikowski:

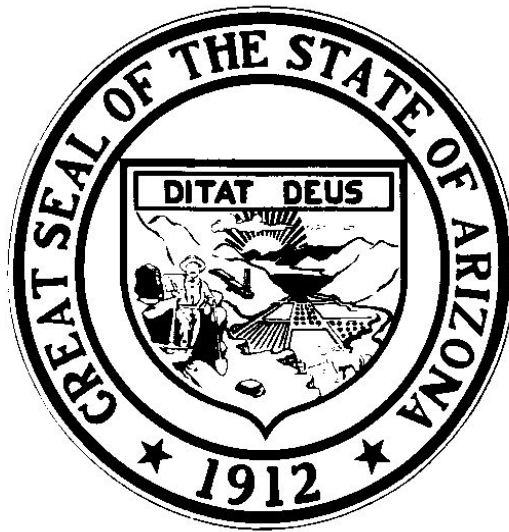

Included below is the “Summary of Legislation” for the Fifty-Fourth Legislature, Second Regular Session (2020). This report was written and compiled by the Government Relations & Rules Office and identifies bills that have an impact to ADOT.

The report includes hyperlinks to each bill number in the “Bill Index,” which will take the user directly to the description of the bill. The bill description includes a history hyperlink which will connect the user to the Bill Status Inquiry (BSI). BSI provides the complete history of the bill, including all versions, amendments, the summaries and legislative action in both the House and Senate.

On behalf of the Government Relations & Rules Office, we would like to express our thanks to our Leadership and all staff members for the opportunity to serve ADOT.

Sincerely,

Government Relations & Rules Office

Fifty-Fourth Legislature
SECOND REGULAR SESSION
2020

Session Convened: January 13, 2020

Adjourned Sine Die: May 26, 2020

GENERAL EFFECTIVE DATE: AUGUST 25, 2020

HB 2749 (endangered species conservation; confidential information)

Designates any information collected by a state agency from a private landowner in an endangered species survey or other species research as classified information. Allows a state agency to only disclose the information to the person that provided it, unless written consent is provided. Requires the confidential information about species to only be collected through a standardized form. Subjects a person who violates the confidentiality requirements to a civil penalty of \$25,000. Contains a delayed effective date of January 1, 2021.
